Experience

The Rolo Group   FTE May 2024 - Present
Systems Developer   Remote
- https://therologroup.co.uk

Provided a range of technical support solutions, including Intranet development with React & MS Sharepoint, Power Automate workflows, automated Asana workflows, DNS management, Squarespace development, and other IT tasks.

Devin McDaniel Music   Dec 2023 - Present
Web Developer   Remote
- https://devinmcdaniel.com

Created a musician landing page with HTML/CSS/JS for users to find information about services, view promo materials, and contact for booking. Along with social media promotion, the website has led to an increase in total number of bookings.

Projects

FaceFinderPro

AI-powered facial recognition app with user authentication and custom routing built with PERN stack

Sharepoint Intranet Site

Custom built Sharepoint Intranet site built with SPFX and React class components connecting to internal and external APIs
